**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I'm a consumer that supports broadband competition. Please take action to encourage more providers compete.

I've had to deal with deceptive business practices and false advertising from Comcast, but the next fastest provided in my area is less than 1/20th the speed. They are a horrible company and I would gladly pay more for the same speed just to get away from them.
